

# TOPSoccer Committee

- Ensures that the TOPSoccer Program reaches out to special needs children in order to offer them an ongoing program of positive sports activities through soccer
- Assists in developing, supporting and maintaining TOPS programs throughout Indiana
- Ensures that supported Soccer Start Programs provide a positive activity outside of school which will encourage exercise and increase awareness of one's own health through sports
- Helps the full board understand Indiana Youth Soccer's risk management issues
- Oversees budget preparation
- Ensures that accurate, timely, and meaningful reports are prepared and presented to the board
- Ensures that accurate and complete registration records are maintained
