

Shelby County Soccer Select Info:

Shelby County offers a Select (sometimes called Travel) program for Players U-8 thru U14. There are two seasons; Fall (Sep – Nov) and Spring (Apr – May). The Select teams play in the MVYSA League and also sponsor the MAYFEST Soccer Tournament. We hold try-outs each June, but we could field new teams for the spring season if the interest is there. If you have a son or daughter interested in playing, please contact us, at Shelby County Youth Soccer Association Web Page; www.sidneysoccer.com sign up under select soccer Future Select players. I would like to form a list of players so when try-outs are announced I'll be sure to get the word to every interested player.

Philosophy:

Select Teams will focus more on the process of development than anything else. Select teams are formed and organized to provide an opportunity for boys and girls of our area, to develop their skills to the greatest degree possible. Such a process will eventually allow Select teams to play soccer at the highest competitive levels. The long-term goal is to produce both quality players and people who can use soccer as a stepping-stone for high school play and possibly beyond, and most importantly life in general. Winning will eventually come as a natural result of a well-executed process on behalf of the players, coaches and the club's philosophy. Select team philosophy will be accomplished by...

- Putting the overall development of the player first while balancing the needs of the overall program.
- Encouragement and support of the players by the club team and parents.
- Providing the best possible coaching and top-level training to facilitate players toward dual development and the team toward achieving its greatest potential.
- Organizing the fairest and best possible teams through annual tryouts every June.
- Basing playing time on merit earned by a player through skills, conditioning, development, ability, attendance, performance, attitude, teamwork and adhering to the expectations listed herein.
- Playing competition in games, scrimmages, league play and tournaments.
- We will play in the MVYSA you can check out the League at this WEB Site <http://www.mvysa.com/>. Practices are up to 3 times a week norm 2 times with a pre-season camp.

Qualification:

All coaches will be licensed by the USSF (United States Soccer Federation) or the NSCAA (National Soccer Coaches of America Association). Interested coaches will need to attend a licensing course. We can help you with information on that.

Coaches Needed

We are looking for coaching candidates who are willing to organize the teams and provide the training necessary for your team. We have an experienced coaching staff willing to assist and get you started. We will also have training classes in the area at a fee (reimbursed after completion) so you can get your certifications. If you are interested or need more info please Email Don Wenrich; dwwenrich@woh.rr.com or Our Web Site www.sidneysoccer.com. Thanks.
