

Soccer Start Committee

- Ensures that the Soccer Start Program reaches out to children in underserved and socio-economically disadvantaged areas
- Ensures that supported Soccer Start Programs provide a positive activity outside of school which will encourage exercise and increase awareness of one's own health through sports
- Helps the full board understand risk management issues
- Oversees budget preparation
- Ensures that accurate, timely, and meaningful reports are prepared and presented to the board
- Ensures that accurate and complete registration records are maintained
