Getting into the Indiana ODP State Pool

ODP Birth Year

- ODP goes strictly by birth year unlike the club registration.
- For 2007-2008 the following birth years are eligible for ODP State Pool Training:
 - 96 Boys and Girls (Select up to 50 players)
 - 95 Girls (Select up to 50 players)
 - 95 Boys (Select up to 36 players and divide them into two teams by birth month. First half-Second half)

ODP Birth Year

- 94 Boys (Select up to 36 players and divide them into two teams by birth month. First half-Second half)
- 94 Girls (Select up to 36 players and divide them into two teams by birth month. First half-Second half)
- 93 Boys (Select up to 18 players)
- 93 Girls (Select up to 36 players. Two teams will be divided by ability.)
- 92 and 91 Boys (select up to 18 players)
- 92 and 91 Girls (select up to 18 players)

ODP State Teams

- The teams then train in June in a camp style format. Friendlies will also be arranged with other ODP State Teams and club teams.
- In July, all age groups attend a Regional Camp
- From Regional Camp, players may be identified from each state to make a Regional Team
- From the Regional Team, players are then identified to be into the National Pool.
- The National Pool then feeds into our US National Teams.

ODP State Pool Recommendation Process

- Recommendation to ODP State Pool by:
 - Identification through ODP District Training/Goalkeeper Training Center. (96, 95, 94 Birth years)
 - Identification through ODP Player Development Program Training Centers (93, 92, 91 Birth years)
 - ODP Staff Coach on State, Regional, or National Level
 - **Identified through Indiana Soccer League or MRL**
 - A Director of Coaching/Club coach may contact an ODP Staff Coach to have a player watched at a club training session or match in order to be recommended into the ODP State Pool.
