

**Indiana Youth Soccer Juggle-a-thon
ODP Regional Camp Fundraiser**

Congratulations on making the Indiana ODP State Team!

On Sunday, May 13th, you can participate in the second ODP Juggle-a-thon. The purpose of this fundraiser is to give you an opportunity to raise money for your camp experience this summer (while also working on your technical abilities as well). There is no cost to you and it is not mandatory to participate.

How does it work? Take this sheet around and ask for people to donate to your cause before May 6th. You should wear your Indiana ODP Training T-shirt while you are asking for donations. After receiving a donation give the donor a Verification Receipt that is with this handout. When you arrive for the ODP State Team Training session on May 6th, you will be asked to juggle for a half hour. During that period of time, you will count your touches and then report this score to your age group coach. Your age group coach will sign the sheet to provide you with proof that you did participate and verify the number of touches in thirty minutes. You will then turn in the money collected and the sheet at the next ODP State Team Training session in June or you can mail it into the Indiana Youth Soccer Office. That address is 5440 Herbert Lord Road Indianapolis, Indiana 46216. All of the money raised will be applied only to your ODP Regional Camp for this summer. The purpose for turning in this money is so that we can verify and track and insure that the money is used for the purpose of ODP Regional Camp. You can only raise the amount up to the cost your ODP Regional Camp.

If you choose to participate, on May 13th, you will report to your assigned training session a half an hour earlier than usual. The training session schedule for that day is Girls from 10-Noon and 2:30-4 and Boys from Noon-2:00 and 4:00-5:30. So if you are a female ODP player and choose to participate you will report at 9:30 a.m. Male ODP players will report at 11:30 a.m. After the thirty minute period your age group coach will take over for the remainder of your first training session.

You will then take your sheets, collect the money and either bring it in the next ODP State Team Training session/event or mail it in as explained in the paragraph above. All checks should be made payable to Indiana Youth Soccer. Please turn this sheet over to write down all those who donate for your Regional Camp experience.

We hope that you take part in this experience and also take advantage of the opportunity to raise money for your ODP Camp experience.

So, start practicing!

What is a juggle-a-thon? The members of the Indiana Youth Soccer Olympic Development Program will participate in the first Juggle-a-thon on **Sunday, May 13th**. On this date, the players will participate in a fundraiser to help subsidize the cost for ODP Regional Camp that they will be attending this summer. The players will see how many times they can juggle the ball in thirty minutes. When the ball does touch the ground, they continue where they left off and will continue juggling for a half hour. The players will seek donations by either a flat rate (\$10 maximum) or you can donate one cent toward the total juggles they make. (1000 juggles is the maximum allowed or \$10). After the players have done this, they will then collect the money from the contributors. Checks may be payable to: Indiana Youth Soccer

I would like to thank you for your support with this event. The players will not only raise money for their camp experience, but will work on their soccer skills as well. If you need a receipt for your donation you can contact Vince Ganzberg, Director of Coaching and Player Development for Indiana Youth Soccer at vince@indianayouthsoccer.org. Thank you for your support of the Indiana Youth Soccer Olympic Development Program.
