Please write in below how you will be paying for the camp. Remember that the camp fee must be paid in full no later than June 30th, 2007.

Example: If the camp fee is \$625 (\$525 after \$100 deposit) then pay \$200 by May 15th, \$200 by June 1st, \$ 125 by June 30th. This is just an example. You can spread it out however you want.
